From the Publisher:

“This first novel in Alexander McCall Smith’s widely acclaimed The No. 1 Ladies Detective Agency series tells the story of the delightfully cunning and enormously engaging Precious Ramotswe, who is drawn to her profession to “help people with problems in their lives.” Immediately upon setting up shop in a small storefront in Gaborone, she is hired to track down a missing husband, uncover a con man, and follow a wayward daughter. But the case that tugs at her heart, and lands her in danger, is a missing eleven-year-old boy, who may have been snatched by witchdoctors.”

Join us as we discuss an endearing cast of characters and the lady who chose to become the first woman detective in her proud homeland. And, if you are won over, you can follow Precious and company in nine subsequent bestsellers. If you are already a series fan, reread the book and rediscover an old friend.

Copies of the selection will be available for pickup at the circulation desk beginning on June 22.
