

# Madame Tussaud's Wax Museum

*A chance to mingle with your favorite celebrity or dignitary!*

**BUT**, it's so much more than just a wax museum!

With over 200 life-like wax creations where you can interact, take pictures and get close with some of the greatest celebrities and musicians, political and historical icons, sports figures and more!

Experience the most interactive theater of its kind in NYC with our new Cinema 4D theater where you experience the 4th dimension of 3D, you **feel** you are part of the film with wind, snow, action, and tons of thrilling surprises that make you feel like you're actually in the film itself!

Scare yourself silly with the dark side of Madame Tussaud in SCREAM!, our live-actor filled attraction highlighting some on your favorite horror flicks.

You can hoop it up with one of the tallest basketball players ever, challenge your friends to a quick game of tennis with our Wii® tennis challenge, test your punching skills with Evandor Holyfield and more!

Check out our brand new SportsZone for tons of fun, laughs and most of all memories!
