## What the Seminar Offers

Former admissions officers from top ranked schools will provide insider information on the college admissions process. You will gain insight as to how colleges read and evaluate applications.

Learn how to complete your application in a way that helps yours stand out from the pack. We will focus on how to craft an engaging essay and develop a resume of experiences and activities that helps an admissions officer learn more about who you are and why you should be admitted to the school of your choice. We will also cover standardized testing, recommendation letters, and getting organized.

Set yourself up for success with those who have been behind the scenes, and have made decisions on hundreds of applications.

We are delighted to offer this amazing seminar at the low cost of \$45.00 per participant. Accompanying adults with students pay only \$15.00. 100% of the proceeds goes directly into the WHCSF for future scholarships.

All of the speakers have graciously donated their time for this workshop, and College Coach, a division of Bright Horizons Family Solutions is underwriting the cost of the materials.

You will also be entered into a door prize drawing for a FREE! one hour personalized counseling session with one of the speakers!!!
